

softline

Think Bubble Blanket

Softline Bubble Blanket has been designed specifically for the protection of all types of furniture during transit and storage

- Offers strength and protection and provides greater flexibility
- Cost effective solution when compared to alternative forms of packaging
- Also used for protecting ceramic, glassware and automotive products
- Laminated with strong non-abrasive tissue, offering excellent surface protection and puncture resistance

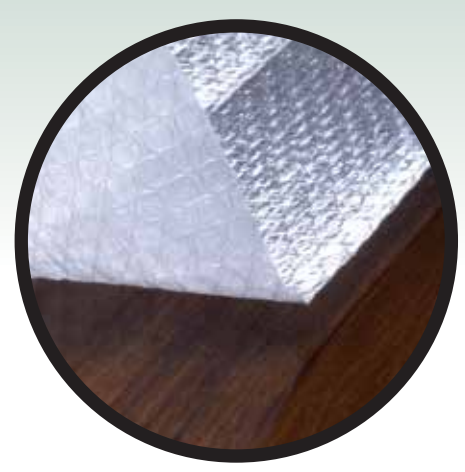

Available in standard or heavy duty grades to suit domestic, business and overseas removals and specialist furniture protection
